

ONE-PAGE CONVERSION WEBSITE

Answered Website Brief

SHE-Reconnects - SHE-CATION 4.0 Zanzibar

Trip dates: 9-13 March 2027 | **Package: £1,100 per person** | **5 days / 4 nights**

Project decisions completed for this version

1. Booking deadline

Recommended campaign deadline: 31 October 2026, or earlier if the allocated places sell out. This replaces the expired 31 August 2026 deposit deadline in the original material. Use both the date and availability in the final page copy.

2. Booking and payment journey

Recommended flow: Website CTA -> short booking form -> accept trip/payment terms -> pay £200 non-refundable deposit -> confirmation page/email -> organiser follow-up -> balance reminders. UK payments should use secure online checkout where possible. Nigerian payments should keep the instruction to contact Dinma or Bokun for the current exchange rate before payment.

3. FAQ plan

The page should answer the main purchase questions before the final CTA: inclusions, flights, room sharing, deposit, payment plan, Nigerian payments, visa, insurance, transfers, activities, booking flights, cancellations, and organiser contact.

Recommended revised payment schedule

The original instalment schedule started in August 2026 and no longer fits a September 2026 launch. This proposed replacement keeps final payment in January.

Stage	Recommended due date	Amount
Deposit	On booking, by 31 Oct 2026	£200
Instalment 1	30 Nov 2026	£300
Instalment 2	31 Dec 2026	£300
Final instalment	31 Jan 2027	£300
Total		£1,100

Status: strategic recommendation for client approval. The £200 non-refundable deposit and £1,100 total come from the supplied materials. The revised dates and £300 instalments are proposed replacements for the expired schedule.

1. About

General presentation and business sector (Who are you?)

SHE-Reconnects is a women-focused community behind SHE-CATION, a recurring ladies' getaway built around connection, rest, shared experiences and sisterhood. SHE-CATION 4.0 takes the community to Zanzibar for 5 days and 4 nights from 9-13 March 2027. The project sits across curated travel experiences, women's community, lifestyle experiences and retreats.

Your organisation/company mission (Why?)

To create spaces where women can step away from everyday responsibilities, reconnect with themselves and other women, enjoy meaningful experiences, and create lasting memories.

Positioning (How?)

Position SHE-CATION as a curated ladies' getaway, not a generic package holiday. The experience reduces planning stress by combining accommodation, meals, transfers, selected activities, tourist tax, visa fees and insurance in one package. The emotional promise is rest, connection, freedom, fun, sisterhood and memorable shared experiences.

Products and/or services (What?)

Primary offer: SHE-CATION 4.0 Zanzibar. Dates: 9-13 March 2027. Duration: 5 days / 4 nights. Package price: £1,100 per person. Accommodation: Tembo Resort. Included: breakfast, lunch and dinner, private airport transfers, activities in Zanzibar, tourist tax, visa fees and insurance. Flights are excluded. The offer is subject to availability and based on two people sharing a room.

2. The context

Target audience (Age, profile, areas of interest, etc.)

Women who value travel, rest, community, friendship, cultural experiences and intentional time away from routine. The existing campaign speaks directly to women in a warm, informal and culturally familiar voice, with specific relevance for Nigerian women. Working website audience: approximately 25-55+, without making the design feel age-specific.

What devices do they use?

Mobile first. The page must also perform well on tablet, laptop and desktop. Social media, WhatsApp and shared campaign links are likely to send a large share of visitors directly to mobile.

How do users find your website?

Expected channels: Instagram, WhatsApp, social media campaigns, SHE-Reconnects community channels, previous SHE-CATION attendees, word of mouth, referrals and direct links from flyers.

What accessibility needs do your users have?

Use strong colour contrast, readable type, large tap targets, clear form labels, alt text for meaningful images, logical heading order, simple language, limited motion, and ensure essential information is written as live text rather than trapped inside graphics.

Competing brands

Direct competitors were not supplied. Benchmark against women-focused group travel communities, premium retreat brands and curated experience companies. Competitor research can be added before final visual design if the client wants a formal comparison.

Your differentiating factor

The strongest differentiator is the combination of community and convenience. SHE-CATION is not an anonymous holiday package. It offers a shared women-centred experience with an existing community atmosphere and a large part of the trip already organised. Key differentiators include a recurring SHE-CATION concept, curated activities, meals, transfers, visa fees, insurance, payment flexibility and

organiser support.

Websites and brands that inspire you

No specific reference sites were supplied. Recommended design territory: boutique resort websites, premium group-travel brands and lifestyle editorial sites with strong photography, generous spacing and clear conversion paths. The website should feel premium and joyful without becoming corporate.

Analysis of current website

No current SHE-CATION analytics were supplied.

What about your current site doesn't work?

Not applicable based on the supplied materials. This project should operate as a dedicated campaign landing page.

What about your current site does work?

To confirm if SHE-Reconnects has an existing site whose logo, navigation, tracking or technical setup should be reused.

3. Goals for new website

What are your expectations and goals for the project?

Primary goal: convert interested women into confirmed SHE-CATION 4.0 bookings. Secondary goals: explain the experience clearly, build desire for Zanzibar, communicate value, make the £1,100 package easy to understand, reduce common objections, explain payment, build trust, create legitimate urgency, and reduce repetitive enquiries.

What kind of experience are you hoping to provide users?

The page should feel like the beginning of the trip. Visitors should feel excitement, warmth, freedom, aspiration, trust, sisterhood and ease. The page should move the user through five thoughts: I need this break. This feels like my kind of experience. I understand what I am paying for. I trust the organisers. I want to secure my place.

What's your website's main call to action (CTA)?

Primary CTA: SECURE YOUR SPOT. Secondary conversion CTA: PAY £200 DEPOSIT. Use one of these consistently rather than rotating through many different calls to action.

What look and feel do you want for your new website?

Tropical, feminine, warm, premium, joyful and energetic. Use SHE-Reconnects pink as the lead brand colour, supported by ocean turquoise, sky blue, warm white, sand/cream and dark navy for readable text. Travel photography should lead the design. Avoid turning the page into a long flyer. Use generous spacing, strong hierarchy and clean conversion sections.

4. Deliverables and technical information

What pages should the website have?

One page only. Recommended order: Hero; quick trip facts; emotional value proposition; what's included; Zanzibar experiences; accommodation; who it is for; price and payment; social proof/community; FAQ; final CTA; contact/footer.

Language(s) of website?

English.

Website domain name?

To confirm. Recommended structure if SHE-Reconnects already owns a suitable domain: /shecation-zanzibar or /shecation-4-zanzibar.

Site hosting?

To confirm based on the existing SHE-Reconnects website and CMS.

Does your website have any specific functionalities?

Recommended: secure deposit payment or payment link, short booking form, WhatsApp contact, sticky mobile CTA, FAQ accordion, image gallery, testimonial/social proof area, Google Analytics, Meta Pixel where paid Meta advertising is used, conversion tracking, privacy/cookie controls where required.

Will there be a CMS?

Recommended if the client wants to update deadlines, availability, testimonials, FAQs, pricing or future SHE-CATION editions without developer support.

CMS preference and documentation?

Use the CMS already supporting SHE-Reconnects if one exists. Otherwise choose a lightweight platform the client can maintain. Supply a short editing guide alongside handover.

Are there any APIs, websites or apps to connect?

Recommended: payment processor, WhatsApp, email confirmations, Google Analytics and Meta Pixel. The exact payment processor should be selected after confirming the client's merchant account and preferred payment method.

Schedule: Does the project need to be completed by a specific date?

Recommended: launch as soon as the revised booking deadline and payment plan are approved. For this brief, the campaign booking deadline is recommended as 31 October 2026, subject to availability. Trip dates remain 9-13 March 2027.

5. Additional relevant information

The website should use the flyers as brand and campaign inspiration, not as the page structure. The strongest conversion story is convenience plus community: you do not need to plan every detail yourself, and you are not simply buying a hotel stay. You are joining a curated women-centred Zanzibar experience.

Core emotional message

Pause. Reconnect. Experience Zanzibar together.

Core commercial message

5 days. 4 nights. £1,100 per person. Accommodation, meals, private airport transfers, selected activities, tourist tax, visa fees and insurance included. Flights excluded.

Conversion rule

Every major section should either increase desire, answer a buying question, build trust, or move the visitor toward the booking CTA. Remove content that does none of those jobs.

Booking and payment journey

Step	Stage	What happens
1	Landing page	Visitor arrives from Instagram, WhatsApp, referral or campaign link.
2	Secure your spot	CTA opens the booking section or secure checkout.
3	Booking form	Collect name, email, phone/WhatsApp number, country, room-sharing acknowledgement and key consent.
4	Terms confirmation	User confirms the £200 deposit is non-refundable, flights are excluded, and the package is based on two people sharing.
5	Deposit payment	Pay £200 securely. UK: online GBP checkout preferred. Nigeria: current NGN rate confirmed by Dinma or Bokun before payment.
6	Confirmation	Immediate thank-you page plus email/WhatsApp confirmation with payment receipt and next steps.
7	Balance plan	Send the approved instalment schedule and automated reminders.
8	Travel prep	Collect sensitive travel details later through a secure process, not in the initial public form.

FAQ content plan

Question	Website answer strategy
What is included in £1,100?	Answer with accommodation, meals, transfers, selected activities, tourist tax, visa fees and insurance.
Are flights included?	No. State this near the price and again in FAQ.
How do I secure my place?	£200 non-refundable deposit plus completed booking form.
Can I pay in instalments?	Yes. Publish the approved revised schedule.
What if I am paying from Nigeria?	Contact Dinma or Bokun for the current exchange rate before payment.
Is the room private?	Current deal is based on two people sharing a room. Single occupancy has not been supplied and should not be promised.
Is the visa included?	Visa fee is included in the package.

Question	Website answer strategy
Is travel insurance included?	Yes, insurance is listed as included in the supplied package.
Are airport transfers included?	Yes, private transfers to and from the hotel are included.
What activities are included?	List the supplied examples: transparent kayak, The Rock Restaurant lunch, Stone Town, Salaam Cove, Prison Island and Nungwi Beach.
When should I book my flight?	Ask guests to wait for organiser guidance on preferred arrival/departure times before booking flights.
What is the cancellation/refund policy?	Only the deposit is confirmed as non-refundable. The wider cancellation policy must be provided by the client before launch.

Final pre-launch items to obtain from the client

- Final number of available places or room allocation.
- Approval of the recommended 31 October 2026 deposit deadline.
- Approval of the revised £200 + £300 + £300 + £300 payment schedule.
- Confirmed payment processor or payment link.
- Official cancellation/refund policy beyond the non-refundable deposit.
- Preferred arrival and departure flight guidance.
- Single occupancy policy and any supplement, if offered.
- Three to six real photos and/or testimonials from previous SHE-CATION trips.
- WhatsApp/contact number and email address to display on the page.
- Privacy policy / terms URL if payment and personal data are collected online.
